TO ALL PRESENT AND FORMER BLACK AND FEMALE  
EMPLOYEES OF THE DEFENSE GENERAL SUPPLY CENTER  
WHO WERE SO EMPLOYED ON OR AFTER MARCH 24, 1972

On May 6, 1974, and December 23, 1974, respectively, Lillie Mae Brown, et al., and Effie B. Cheatham filed suit in the United States District Court in Richmond against James R. Schlesinger, Secretary of Defense, General Wallace Robinson, Director, Defense Supply Agency, General L. A. Fowler, Commander, Defense General Supply Center, and General Louis J. Schelter, Jr., Commander, Defense General Supply Center. The two actions, having been consolidated for trial, alleged that the defendants had discriminated against the named plaintiffs, and against a class consisting of all black and female employees, because of race and/or sex with respect to compensation, terms, conditions and privileges of employment and had limited, segregated and classified plaintiffs in ways which deprived them of equal employment opportunities and otherwise adversely affected their status as employees because of race and/or sex at the Defense General Supply Center in Richmond, Virginia.

Defendants in their Answer of 6 September 1974 denied any individual or systemic discrimination at DGSC on the basis of race and/or sex. On August 26, 1975, the Court certified the action as a class action consisting of the following persons:

1. All females and black males, whether currently employed or no longer employed for any reason, who were employees of the defendant Defense General Supply Center (DGSC) on or after March 24, 1972; and
2. All females and black males who may in the future be employed by the Defense General Supply Center.

The plaintiffs and the defendants have agreed to settle the case, and have submitted the enclosed proposed terms of settlement ("Consent Judgment") to the Court for approval. The proposed Consent Judgment has been tentatively approved by the Court. In the absence of any objections thereto, the Court will enter the Judgment after the passage of fourteen (14) days after the mailing of this Notice.

This Judgment will bar all claims of race and sex discrimination as to any acts or practices occurring on or before the date of the Court's approval of the settlement. If you object to any of the terms of the proposed Consent Judgment, you must file objections within fourteen (14) days after the date of mailing of this Notice. If you wish to file objections, they must be put in writing, and must be received within the aforesaid fourteen (14) days by the Clerk of Court. His name and address are:

Any document you file should state the name of the case and its number:  
Brown, et al. vs. Schlesinger, et al., Civil Action No. 74-0202-R.

A brief description of the terms of settlement follows:

1. This Judgment is not evidence or premised upon a finding of systemic discrimination against plaintiffs or the class of females and black males that they represent. Defendants do not by this agreement admit that they have ever discriminated against plaintiffs or any other black and female persons, and promise that there will be no discrimination in the future. Plaintiffs do not by this agreement acknowledge that no discrimination has taken place.
2. This Judgment will bar all claims of race and sex discrimination as to any acts or practices occurring on or before the date of the Court's approval of the settlement. The Judgment does not, however, bar claims of discrimination as to acts or practices occurring after the date of the Court's approval.
3. Defendant Defense General Supply Center (DGSC) shall make every reasonable effort to increase the number of females and black males in middle and upper grade positions (including supervisory positions) in accordance with the goals and timetables set forth in its current and future Affirmative Action Plans.
4. Defendants will make all hiring decisions without regard to race or sex.
5. Defendants will re-establish 25% of all vacancies as trainee positions, and will assure that blacks and females secure proportions of these positions at least equal to their representation within the DGSC workforce.
6. Education, training and self-development will be considered in evaluating candidates for vacancies without regard to the date on which it was obtained.
7. The names of the ten (10) highest ranked candidates for vacancies will be referred for each vacancy.
8. No written tests will be utilized to screen persons for positions unless such tests have been validated in accordance with certain established procedures.
9. Performance appraisals and awards will be monitored quarterly to assure that they are made in a non-discriminatory manner.
10. Opportunities for on-duty and off-duty training and counseling will be provided on a non-discriminatory basis.
11. Defendants shall award relief to certain named individuals without the necessity of further proceedings. The individuals included in this award are listed in Schedule "A" of the proposed Consent Judgment. The individuals listed in Schedule "A" must notify the Clerk of Court (address above) on or before August 22, 1977, whether they accept the proposed relief or elect instead to have their claims of discrimination resolved by the Court or by a Special Master in subsequent proceedings.
12. Certain individuals shall be entitled to have their claims of discrimination resolved by the Court or by a Special Master in subsequent proceedings, provided that they notify the Clerk of Court (address above) on or before August 22, 1977, that they wish to proceed with their claims. The individuals subject to this provision are listed in Schedule "B" of the proposed Consent Judgment.
13. Defendants will pay the sum of \$125,000 to the law firm of Hill, Tucker & Marsh for legal services rendered in connection with this class action, and will reimburse said attorneys for the costs and expenses they have incurred, as determined by the Court.
14. Defendants will not engage in or be party to any discrimination or retaliation against individuals who have participated in any manner in this suit, or in any similar suit.
15. The Court will retain jurisdiction of this action until August 1, 1982.

CONSENT JUDGMENT

These consolidated actions, brought by Lillie Mae Brown, et al., on her own behalf and on behalf of all other similarly situated blacks and females, and by Effie B. Cheatham on her own behalf, and filed on May 6, 1974, and December 23, 1974, respectively, allege that the defendants, James R. Schlesinger, Secretary of Defense, General Wallace Robinson, Director, Defense Supply Agency, General L. A. Fowler, Commander, Defense General Supply Center, and General Louis J. Schelter, Jr., Commander, Defense General Supply Center, have engaged in broad practices of race and sex discrimination in violation of Title VII of the Civil Rights Act of 1964, 42 U.S.C. §§ 2000e et seq., as amended by the Equal Employment Opportunity Act of 1972, 42 U.S.C. § 2000e-16.

Defendants in their Answer of 6 September 1974 denied that the employment practices which they have administered, required or applied have resulted in individual or systemic discrimination on the basis of race and/or sex. On 26 August 1975, the Court ordered that this cause be maintained as a class action on behalf of a class comprised of the plaintiffs and:

1. All females and Black males, whether currently employed or no longer employed for any reason, who were employees of the defendant Defense General Supply Center on or after March 24, 1972; and
2. All females and Black males who may in the future be employed by the Defense General Supply Center.

WHEREAS plaintiffs and defendants consent to the entry of this Judgment on the grounds that it will further the objectives of the aforementioned Act, resolve this matter without the time and expense of further litigation, and fully protect the interests of all of the defendants' employees; and

WHEREAS plaintiffs and defendants further agree that:

(1) the individuals listed in the attached schedule "A" have been denied certain employment opportunities and are entitled to relief as set forth therein; (2) this Judgment is not evidence or premised upon a finding of systemic discrimination against plaintiffs or the class of females and black males that they represent; and (3) this Judgment is the exclusive remedy as to plaintiffs and the class they represent for any claims of individual or systemic discrimination arising out of the employment practices administered, required or applied by defendants prior to entry of this Judgment;

NOW, THEREFORE, prior to the completion of the taking of testimony in the trial of this action and without adjudication of any issue of law or fact herein, and without this Judgment constituting evidence or admission by either party as to any issue of fact or law herein, and upon the consent of the parties hereto, it is hereby

RECEIVED

ORDERED, ADJUDGED AND DECREED AS FOLLOWS:

JUL 19 1977

CLERK, U. S. DIST. COURT  
RICHMOND, VA

I

This Court has jurisdiction over the subject matter of this action and of the parties hereto. The complaint states claims upon which relief may be granted under 42 U.S.C. §2000e-16 et seq.

II

A. Defendant Defense General Supply Center (DGSC) shall make every reasonable effort to increase the number of females and black males in middle and upper grade positions (including supervisory positions) in accordance with the goals and timetables set forth in its current and future Affirmative Action Plans.

B. All hiring decisions shall be free of discrimination based on race or sex.

C. DGSC shall make every effort to establish additional trainee positions as follows:

1. "Trainee position" is defined as a non-supervisory position established with a target level grade higher than the entrance level for which, upon successful completion of the time-in-grade or other qualification requirements, plus successful demonstrated performance, non-competitive promotion to the target grade results.

2. "Vacancy" is defined as a non-supervisory position to be filled through the competitive process, specifically excluding positions to be filled through non-competitive procedures including but not limited to the Department of Defense priority placement program, special consideration candidates, excess employees, remedial action placements, and direct hires of persons under special emphasis programs.

3. For each year during the term of this Judgment, at least 25% of vacancies occurring at GS-9 journeyman levels shall be re-established as trainee positions with entry grades at the GS-5 level. Black and female class members shall secure proportions of these positions at least equal to their respective representation within the DGSC work force. In addition, 25% of other vacancies shall also be established as trainee positions, and the black and female class members shall also secure proportions of these positions at least equal to their representation within the DGSC work force.

4. The Director of the Office of Civilian Personnel and the management of each Directorate shall have joint responsibility for determining whether any vacancy which may exist within that Directorate may be filled as a trainee position.

D. DGSC's Merit Promotion Program, DGSCR 1404.1, shall be modified as follows:

1. Candidates will be evaluated on the basis of education, training or formal self-development that is directly related to the vacancy without regard to the date on which such education, training or self-development was obtained.

2. The names of the ten (10) highest ranked candidates will be referred for each vacancy.

3. No written tests will be utilized to screen persons for positions unless such tests have been validated in accordance with the procedures established by the Federal Executive Agency Guidelines on Employee Selection Procedures; 28 CFR, Chapter I, Part 50, Section 50.14, or any superseding provisions.

4. Awards shall be monitored quarterly to assure that they are distributed according to merit and in compliance with applicable regulations. Quarterly Incentive Awards Reports shall be available for inspection by all interested employees in the Office of Civilian Personnel and in each Directorate/Office.

5. Performance appraisals shall be monitored each quarter by each Directorate/Office to assure that all employees are fairly appraised against the requirements of their positions. A copy of the 1977 study by William H. Mobley, "Evaluation of DGSC Performance Appraisal System," shall be made available to all interested employees in the Office of Civilian Personnel and in each Directorate/Office. Counseling on the use of performance appraisals shall be provided to all interested employees.

6. All interested class members shall be provided opportunities for on-duty and off-duty training and counseling on a non-discriminatory basis.

### III

All Directorate/Office heads shall continue to make written quarterly reports to the Commander regarding implementation of the EEO goals and timetables contained in DGSC's Affirmative Action Plans. Such reports shall also indicate the progress made toward implementation of this Judgment. These reports shall continue to contain at least the following information, by race and sex:

1. Grade Distribution
2. Supervisory Positions
3. Promotions by Grade
4. Training
5. Awards
6. Awards by Grade
7. Minority Employment (Major Divisions/Offices)
8. Directorate/Office Committees
9. Performance Appraisals

A. The individuals listed in the attached Schedule "A" shall be entitled to relief as agreed upon in that schedule.

B. The individuals listed in the attached Schedule "B" shall be entitled to have their claims of discrimination heard by the Court or by a Special Master to be appointed by the District Court, provided notice of their intention to be heard is filed with the Court on or before 22 August 1977. The Court or aforesaid Special Master shall consider any evidence previously presented to the District Court and any other evidence which may be presented by the parties.

### V

Beginning on or before 1 February 1978, and continuing on or before 1 February of each succeeding year during the term of this Judgment, defendant DGSC shall include in its Annual Report of Equal Employment Opportunity Accomplishments a statement of the progress made in complying with the provisions of this Judgment. A copy of each Annual Report shall be made available to counsel for plaintiffs.

### VI

Defendants shall pay to the law firm of Hill, Tucker and Marsh the sum of \$125,000 as attorneys' fees for services rendered or to be rendered in representing the plaintiff class. In addition, defendants shall reimburse plaintiffs for their costs and/or expenses incurred to the date of this Judgment as determined by the Court. In the event the parties are unable to agree on the amount of costs and/or expenses incurred after the entry of this Judgment, the Court shall determine the costs. The payment of attorneys' fees as well as those costs and/or expenses incurred up to the date this Judgment becomes final, shall be paid by defendants within thirty (30) days after the Judgment becomes final.

### VII

Notice and a copy of this Judgment shall be sent to each member of the class identifiable as of 18 July 1977. The notice shall expressly afford to members of the class the opportunity to file objections to this Judgment with this Court no later than fourteen (14) days following the date of mailing the notices. Promptly following such mailing, plaintiffs shall submit to the Court and to the defendants a certificate attesting to said mailing and to the date thereof. In the absence of any objections within the aforesaid fourteen (14) days, this Judgment shall become final without further action by the Court.

### VIII

Defendants shall not engage in or be party to any act, policy or practice which has the purpose or effect of discriminating or retaliating in any manner against any plaintiff, any employee or former employee, or any applicant for employment because he or she has furnished information.

IX

This Judgment shall not foreclose the rights of any class member to allege claims of discrimination arising after the entry of this Judgment based upon employment practices that were not administered, required or applied by the defendants prior to the entry of this Judgment. It shall foreclose the rights of class members to challenge employment practices in effect prior to the entry of this judgment.

X

Jurisdiction is retained by this Court until August 1, 1982, for the purpose of enabling any of the parties to this Judgment to apply to this Court at any time upon thirty (30) days written notice for further orders and direction as may be necessary or appropriate for the construction or carrying out of this Judgment, for the amendment or modification of any of the provisions hereof, or for the enforcement of compliance therewith.

XI

This Court finds that the entry of this Judgment is in the public interest, is in furtherance of the objectives of the Equal Employment Opportunity Act of 1972, 42 U.S.C. § 2000e-16 et seq., and protects the rights of all interested employees. The Court further finds that the class has been adequately represented by plaintiffs and their attorneys.

On December 7, 1977, Assistant U. S. Attorney [ ] advised that quite a number of individual claims have already been settled in this matter; however, there are approximately 25 to 30 still scheduled to be heard commencing in January, 1978. These claims will be heard before an appointed Master and Mr. [ ] expects the ultimate cost to the Government of these claims will be quite minimal.

## INSTRUCTIONS

(1) Submit an original only of the FD-515 within 30 days of a recordable accomplishment. Submission of each statistic should not be delayed awaiting the accumulation of several statistics.

(2) The date the FD-515 is submitted must be shown.

(3) The field office file number and appropriate subclassification, if applicable, must be set forth.

(4) Category A - **"PRELIMINARY JUDICIAL PROCESS"** - This indicates the number of subjects against whom judicial action has taken place. The number of subjects must be indicated with a numerical entry and not with the letter "X" or a check mark.

**FOR EXAMPLE:** If 4 subjects have 10 Bills of Indictment returned against them, enter 4 on line 3.

(5) Category B - **"FINAL JUDICIAL PROCESS"** - This, again, indicates the number of subjects and the number of counts or violations for which the subject is convicted. The number of counts shown on lines 5 and 7 must equal or exceed the number of subjects indicated on lines 4 and 6, never be less. Category 4 and 5 or 6 and 7 cannot be claimed prior to sentencing.

**FOR EXAMPLE:** If a subject is convicted for multiple counts in a single indictment or is convicted on a number of individual indictments, the entry in either case will be one subject convicted.

(6) Category C - **"SENTENCES"** - Indicate only the number of subjects and where a combination of sentences are imposed, enter only the most severe sentence. The number of subjects cannot exceed the number of subjects indicated in Category B, lines 4 and 6. The amount of the fine (line 5), if any, is always claimed in conjunction with either lines 1, 2, 3, or 4.

(7) Category D - **"ARRESTS/LOCATES/SUMMONS"** - Indicate the number of subjects under designated priorities.

(8) Category E - **"RECOVERY AND LOSS PREVENTED"** - Recoveries - When stolen or illegally possessed items with intrinsic value are recovered as a part of an FBI investigation, the value of the item should be recorded. Restitutions will be recorded in this category when ordered as part of a sentence.

**Potential Economic Loss Prevented** - Record items such as counterfeit securities, money orders, Cashier Checks, Travelers Checks, and pirated copyright and patented material.

A justification airtel must be submitted with the FD-515 as an enclosure when the recovery or potential economic loss prevented exceeds \$1,000,000.

(9) Category F - **"CIVIL MATTERS"** - To record an entry in this category, it is necessary to conduct actual investigation in the matter. Both the original amount sought and the damages awarded by the court are to be recorded under amount of suit and settlement or award. Therefore, if numbers 1 or 3 are completed, it is necessary that number 2 and 4 also be completed even if by zero. The only exception would be when monies are paid by the subject in Ascertaining Financial Ability Matters wherein it is not necessary to record an entry in F3.

(10) **"REMARKS"** - Identify the name of the subject(s) and when reporting a conviction identify the Title, Section, and Code applicable to each count convicted.

(11) **Errors** - If a previously submitted FD-515 is determined to contain an error after verifying the statistic on the Monthly Statistical Results Report, submit an original only of the FD-515 clearly marking the top of the form in red ink with the word **"AMENDED."** Other than the title, FBIHQ file number (if known), field office file number, and date, only complete the category being corrected by a numerical entry representing the appropriate decrease or increase. If this entry represents a decrease, insert a minus "-" sign and if an increase, insert a plus "+" sign directly to the left of the numerical entries which will signify the type of correction.
